

Lost and Found | Part 10

Texto para mineração e treinamento:

After the tears of relief and hugs of joy, the rescuers asked the boys how they had made it through the night **on their own**. William explained how he knew to ration the food and find shelter. He told them how he kept Zack calm by reading. All the adults were impressed with his bravery and intelligence. The Jensions were happy just to be back together again. Still, they got invitations to be on the news and tell the boys' survival tale. Many people recognized William for the way he kept calm and protected his little brother. The ordeal made Zack pay more attention to the rules, **at least** most of the time.

Texto linha a linha para aula:

After the tears of relief and hugs of joy,
the rescuers asked the boys
how they had made it through the night on their own.

Depois das lágrimas de alívio e abraços de alegria, os "resgatadores"
perguntaram aos garotos como eles tinham passado a noite por conta
própria.

William explained
how he knew to ration the food and find shelter.
William explicou como ele sabia racionar a comida e encontrar abrigo.

He told them how he kept Zack calm by reading.
Ele os contou como ele manteve Zack calmo lendo/através da leitura.

All the adults were impressed
with his bravery and intelligence.
Todos os adultos ficaram impressionados com sua bravura e inteligência.

The Jensons were happy just to be back together again.

Os Jensons ficaram felizes simplesmente por estarem juntos novamente.

Still, they got invitations to be on the news
and tell the boys' survival tale.

Ainda assim, eles receberam convites para estar no noticiário e contar a
história de sobrevivência dos garotos.

Many people recognized William
for the way he kept calm and protected his little brother.

Muitas pessoas reconheceram William pelo modo que ele manteve a calma
e protegeu seu irmão mais novo.

The ordeal made Zack pay more attention to the rules,
at least most of the time.

A provação fez com que Zack prestasse mais atenção às regras, pelo menos
na maior parte do tempo.

"ordeal" significa "uma experiência difícil, uma provação, etc.". Por exemplo:

The hostages were subjected to a terrible six-day ordeal.

Os reféns foram sujeitos a uma provação/terrível experiência de seis dias.
